Skins Game (foursome)	A player receives a skin if he has the lowest net score on a hole. If two or more players tie, the skin is carried over to the next hole. The player(s) that did not tie are also eligible to play for the carry over skins. Payouts will be determined by number of skins awarded. If sufficient skins are left over after the round of golf, the payout will be evenly divided over all players. Can be played within the foursome or by flight.	None	NO
